

POINTLESS

Frequently Asked Questions

Can I apply to be on the show if I live outside the UK?

You can only apply to be on the show if you are a current legal resident of the United Kingdom of Great Britain and Northern Ireland, the Channel Islands or the Isle of Man.

How old do I have to be to apply for the show?

You need to be at least 18 years old to apply to be on the show.

How do I attach a photo or video to my application form?

In the application form, you are asked to upload two photos or videos. There is a button saying 'Browse', click on this button and it will open up the folders on your computer, select the photo you want to upload, click on it to highlight and then click the button saying 'Open'.

Please upload your image in JPG, GIF or PNG formats, uncompressed and smaller than 4MB. Videos should be less than one minute long.

Can I go back to add further information to my saved answers?

Yes, there is a back button which you can use to go back and fill in more detail if you need to, but only *before* you have submitted your online application form. Once your application has been submitted, no subsequent changes will be accepted by us (save as may be required to update your personal details).

Do I have to complete the online application form in one sitting?

If you are the lead applicant, you can click 'Save & Continue later' and you will be emailed a unique registration number with a link so that you can log back in to continue your form. If you are the second applicant, please complete the form in one go.

What do I do once I've submitted my application form?

If we are interested in your application, we may give you a phone call to discuss some of your answers in a bit more detail and may invite you to an online audition. We will send you all the details you need by email before the audition. Due to the volume of applications we receive, there is no guarantee that by filling in the application form you will receive a phone call, be invited to an audition or take part in the show.

What do I do if some of my personal details have changed since I submitted my application form?

If you want to update your information because your personal details have changed please email us at pointless@remarkable.tv
